- Only select one subject per block.
- Put your choices in order of preference on your application form.
- Briefly explain why you wish to study each subject in the text box provided.
- Take your application form to your subject teacher so they can approve your suitability for the course by signing your form in the signature box provided.

***Please ensure you have written your full name on the top of the application form and signed it at the bottom.***

Interviews will be held by a senior member of staff at some point during the Spring Term, where you will have the opportunity to discuss your choices and combinations of subjects in relation to future career aspirations.

Letters will follow shortly, confirming your conditional place within the sixth form here at Fearnhill.

In July 2020, exact date to be confirmed, we will hold our Induction Day for students who have applied for the sixth form, giving them an opportunity to attend “Taster Lessons” for all of their chosen subjects and to familiarise themselves with the sixth form itself. We would strongly recommend that you make a note in your diary in order to keep this week free in order to attend this Induction. More details will follow later in the year.

Final confirmation of your place into the sixth form will be made, as a result of your exams, on the **GCSE Results Day on 20<sup>th</sup> August 2020**.

We look forward to receiving your applications shortly, but in the meantime if you have any questions, please do not hesitate to contact me.

Kind regards
