GCSE results will be available for collection on Thursday 20th August 2020 from **9am – 11am**

Reviews of Results

All reviews of results should first be discussed with the relevant Department Team Leader and/or Subject Teacher who will advise on the viability of such a request. A “Post-results services: request, consent and payment form” should then be completed, signed and returned with a cheque made payable to Fearnhill School. These forms and details of fees and deadlines for each of the post results services will be available on results day.

In the school’s experience it is rare for marks to change upwards by more than a marginal amount. However the school reviews the marks your son/daughter and others have achieved and will advise you if we feel there is an anomaly and that the paper should be reviewed. In the event that we feel a number of candidates have been marked wrongly the school itself will request a review of marking of all those papers (with your agreement).

In general we therefore recommend that a review of marking would be unwise unless we advise to the contrary.

POST RESULT SERVICES

Service 1 – Clerical Re-Check

This service will include the following checks:

- that all parts of the script have been marked;
- the totalling of marks;
- the recording of marks.

Service 2 - Post Results Review of Marking

A review of the original marking to ensure that the agreed mark scheme has been applied correctly. It is not a re-marking of the candidate’s script.

Access to Original Scripts

Candidates may request a copy of their original script to support a review of marking or to support teaching and learning.

Appeals

If you remain unhappy following the outcome of a review of marking, you can make a request to the Headteacher to appeal the decision. This needs to be done by the school as candidates are not entitled to make appeals themselves. If the Headteacher supports the decision for an appeal, JCQ guidelines and procedures will be followed. More information can be found in our Internal Appeals Policy.

CERTIFICATES

Certificates are received in school during October/November and are available for collection for leavers from the Exams Office after this point. Certificates will be presented to current Year 12 students via the 6th Form Office.

Students will have been asked to send in £3.00 for their certificates to be posted home. These will be posted in November via Royal Mail 'Signed For' service, so someone will need to sign for the package. If you receive a red card, please do not ignore it as if your certificates are sent back to school, they will go straight into our archive.

POSTING CERTIFICATES HOME IS OUR PREFERRED METHOD OF DISPATCH

If you have not opted to have your certificates posted home, they will be available from the Exams Office in November. Leavers are strongly recommended to collect their certificates from the school in person. However, if you are sending a representative, they will need to have your written permission and provide photographic identification to sign for the certificates on your behalf.

JCQ regulations state that certificates should be kept for 12 months. If they remain uncollected they may be disposed of securely. (Appendix A).

Certificates are important documents. These days most educational institutions and potential employers will ask to see your original Certificates. If you lose or fail to collect your Certificates, you will need to obtain duplicates from the relevant Awarding Body. The Awarding Bodies will only issue a Statement of Achievement; they no longer replicate certificates unless you can prove they were destroyed by theft, fire or flood. This currently costs in the region of £45 per 'Statement of Achievement'.

Notice to Centres

Unclaimed Certificates

The Awarding Bodies have agreed to implement a standard procedure for dealing with unclaimed certificates.

Centres may destroy any unclaimed certificates by a secure method (for example by shredding or incineration) after holding them for a period of 12 months from the date of issue. A record of all certificates destroyed by a centre should be kept for a further period of four years from the date of their destruction.

Any queries concerning the destruction or secure disposal of unclaimed certificates should be directed to the awarding body that issued the certificates.
