Dates for your diary:

Wednesday 8th July, Virtual Induction Evening – 6pm on the Fearnhill Transition YouTube channel

This evening will show you more about the school helping you feel prepared for September. You will have the opportunity to see some, now, familiar faces; be updated with some important information and start to learn your way around with a virtual tour. You will also find out who your form tutor is for September.

Thursday 9th July, 9am-3pm – Virtual Transition Day

You will have 5 lessons on this day, all set online. We will let you know where to find these different lessons ready for Transition Day and more will be explained during the induction evening. These lessons will also leave you with an extended piece of work to complete over the holidays ready for your first lesson back in September. A wonderful opportunity to do your best and make a great first impression.

Please do not hesitate to get in touch if you are unsure in any way about any of events or procedures related to transition. We want to support you all in having the best possible transition experience and the most positive start to your Fearnhill journey.

Yours sincerely
