

# Year 7 Art Bridging Project

## Subject: Self Portrait

Welcome to Fearnhill School. To start your journey as a KS3 student art student, I would like you to draw a self-portrait (a picture of you) on A4 paper. Using a mirror draw accurately to the very best of your ability your face, hair and the top part of your shoulders. Add your favourite things that you like around your portrait e.g. your name, favourite food, perhaps music you like to listening to, add lyrics if you like, favourite book(s) or poetry, games or sport, cosmetics, favourite place you've visited, any favourite past-time. Have a look at the self-portrait example below to help you with your design idea. Tell me as much as you can about you in your self-portrait drawing.

You can complete your self-portrait in either pencil or colouring pencils. Please hand your self-portrait in your first art lesson in September. Have lots of fun, looking forward to seeing you all.

Good Luck! Have a fabulous summer break.
