Paper 3: Statistics and Mechanics (*Paper code: 9MA0/03)
<i>2-hour written examination</i> <i>33.33% of the qualification</i> <i>100 marks</i>

Bridging Project

The aim of the bridging project is to ensure that there are no gaps in your knowledge on the core grade 7/8/9 skills that you learnt at GCSE. It is important that you are confident and fluent in using these techniques.

There are 12 tasks that have been set for you on mymaths. You should use the mymaths lessons or search for the video on mathswatch if need be to recap on the skills required to complete the online homework tasks. You should be aiming to get all greens on these tasks.

If you have forgotten your mymaths log in details then you can email Miss Williams (emma.williams10@fearnhill.herts.sch.uk) to be reminded. Don't leave it until the last week of the summer holidays as Miss Williams may not be able to reply to your emails then!

THE FIRST LESSON IN SEPTEMBER WILL BE AN ASSESSMENT BASED ON THE HIGHER LEVEL GCSE SKILLS THAT ARE REQUIRED IN A LEVEL.

THE SKILLS YOU PRACTICE IN THE MYMATHS TASK WILL BE THE SORTS OF TOPICS YOU WILL BE ASSESSED ON.

MAKE SURE YOU COME PREPARED FOR THE ASSESSMENT!
