Dear Parents & Carers

Severe Weather/Schools Closure Notification System – Important Information

I am writing to let you know that Hertfordshire County Council has recently updated their Severe Weather/ Schools Closure Notification System (the 'Snowline'), and you can now receive automatic updates via text message and email if severe weather or other factors cause the school to close. You will still be able to receive this information via Schoolcomms, local radio and the school website, but you can also sign up using the following link:

<https://member.everbridge.net/index/892807736725489#/login>

If you have children at more than one school in Hertfordshire, you can also sign up to receive notifications from them using the same link. Just click on 'add another location' once you have added Fearnhill.

The system can also be used for any other important notifications and we hope it will be another helpful way for us to communicate effectively with all members of the Fearnhill community.

Please do not hesitate to contact the main office if you have any queries or concerns.

Many thanks for your support.

Yours sincerely

Ms E Ellis
