

FEARNHILL SCHOOL

Headteacher – Ms E Ellis BA, MA

17th October 2016

Dear Parents and Carers

I am writing to share some very good news with you about Fearnhill School. The government's school performance tables for 2015-16 have now been published and it is with great pleasure that I can announce that Fearnhill School has been ranked 9th out of 76 secondary schools in Hertfordshire for achievement at GCSE. Our 'Progress 8' score, based on students' performance across a range of 8 subjects, is +0.49. This means students achieved on average half a grade better across 8 key subjects here at Fearnhill than they would have done at any other school. You can view the full results if you go to the government's website at www.compare-school-performance.service.gov.uk/.

All of our students and staff deserve congratulations for their commitment and hard work. This means that Fearnhill is now ranked in the top 10 of Hertfordshire's secondary schools by this, the government's key measure of a school's performance.

Thank you for your ongoing support. I would like to wish everyone a well-earned and restful half term break.

Yours sincerely

Ms E Ellis
