2026-2027

Dear Parents/Carers,

Extracurricular Activities 2026-2027

I am delighted to share with you the wide range of extracurricular activities available this year.

Taking part in clubs is a key part of life at Fearnhill. They give students the chance to develop new skills, build confidence, meet new people, and explore interests beyond the classroom. We expect every student to be involved in at least one club, and we would greatly value your encouragement in helping your child take up this opportunity.

Alongside the ever-popular sports clubs run by the PE department, we are pleased to offer a rich variety of other activities, including jigsaw puzzles, Lego, creative writing, choir, and textiles. This year also brings exciting new additions, such as Pixel Craft and Taskmaster Production. Firm favourites, history club and the school production club continue to thrive as well.

Please find a copy of this term's club offer on our website [here](#) and look out in Fearnfile for pictures and information about the different clubs running each week.

Yours faithfully,

Mrs L Chilton
